

**Cavalier King Charles Club of Victoria. 10 & 11<sup>th</sup> June 2012 Championship Show**

Critique by Judge: **Mrs. Tracy Jackson of Amantra Cavaliers (UK)**

Thank you for inviting me to judge your lovely dogs. I was very impressed with the quality. I was surprised & delighted on receiving my catalogue that I had placed so many by the same dogs & with the same breeding.

Just a couple of points I would like to make, firstly try not to bait your dog's so much on the table, I find it really difficult to see a dogs expression if I cannot get them to look at me, they are just watching the bait with a passion. Also I thought that a lot of the exhibitors strung their dogs up too much on the move, a cavalier looks lovely moving on a lose lead.

It was lovely meeting you, thank you for your hospitality. The only negative was that we did not have enough time to do some more sightseeing on our first trip to Australia.

Class 1. Baby Puppy Dog (14). The baby puppy classes both held some very nice promising pups.

1. **INNESVEIL CLASSIC LOVER.** Very promising pup with sweet head. Lovely round dark eyes. Well used ears of good length. Well broken soft coat, moved well around the ring holding a firm topline. Nice bone.
2. **BLACKTREE KISSME ONE LAST TIME.** Well broken blen, sweet head. Nice eyes, well used ears. Lovely happy temperament, went well around the ring, but was tending to high step a little in front.
3. **DAPSEN HE TELLS NO LIES.** Well-made tri, looked very good in profile moving around the ring. Well boned puppy, lovely dark eyes, bright tans. Unfortunately his face markings do not work in his favour.
4. **COLOORA FLY ME TO THE MOON.** A real baby, promising puppy, lovely outgoing temperament. Went very well around the ring, sweet head with nice eye, well boned.
5. **BARAKAH VALENTINES DAY.** Ruby pup. Promising head with well used ears of good length. Nice dark eyes, went well around ring but his topline needs to firm up.

Class 1a Baby Puppy Bitch (18, 2abs.)

1. **BLACKTREE DIVINE TOUCH.** Well broken blen with spot. Lovely neck & shoulders leading into firm topline. Moved very well in profile. Nice size pup, well boned. Sweet head, lovely eyes & expression. Well used ears with good leathers. Best baby puppy in show.
2. **DAVENTRI PURE WHISPER.** Flashy tri with bright tans presented in lovely condition. Promising head with nice eyes, well placed neck & shoulders. Went well around the ring with a happy temperament. Just a little longer in back than 1.
3. **DUNSFOLD CELTIC GLORY.** Very sweet richly marked blen. Sweet head with round dark eye, moved steadily around the ring holding her topline. Well boned for size, good front.

4. JENAWYN VINTAGE FASHION. Blen with very elegant outline, nice neck & shoulders. Sweet feminine head, with good leathers and ear placement. Moved well.
5. DAPSEN SHE KEEPS NO SECRETS. Lighter marked blen, well placed shoulders. Nice head with dark eyes. Good ear placement, well boned with a happy temperament. Just shows a little white of eye.

#### Minor Puppy Dog (8).

1. DAPSEN STEVE PRESTWICH. Well marked blen, caught my eye going around the ring. Sweet but masculine head, round eye, dark pigment, good mouth. Well used ears with good leathers. Well boned, excellent topline & tail carriage. Moved well.
2. DAPSEN MEMPHIS MOON. Close up to 1, lovely neck & shoulders, firm topline & tailset. Moved elegantly around the ring. Good head with dark eye, well set ears, another nice pup, just not as sweet in expression as 1.
3. KORGIL THE REPUBLICAN. Heavier marked tri of nice shape. Good neck & shoulders, firm topline. Sweet masculine head with darks eyes & bright tans, just gave a bit away in age.
4. COLOORA YEAH BABY. Tri in lovely coat and condition, bright tans, excellent temperament. Went well around the ring with a firm topline, not as sweet in head as above.
5. CHEVALOVE FOREIGN AFFAIRE. Elegant blen, lovely neck and shoulders, good coat coming, well feathered ears. Nice round eyes, well boned, head still needs to mature, he was tending to crab a little on the move.

#### Puppy Dog (5).

1. DAPSEN I'M SEXY AND I KNOW IT. Won this class on his movement and balance. Looked very good going around the ring with a firm topline and well set tail. Very full in head that I don't think needs to fill anymore. Round dark eyes, excellent pigment, good ear leathers and mouth.
2. CARIBELLE OFF WITH THE FAIRIES. Honest sound dog, lovely neck and shoulders leading to short level back, went well around the ring. Masculine head with gentle expression, well boned, good ear length, both sired by the same dog I see.

3. BLACKTREE WILDCARD. My favourite head in the class, alert expression, lovely dark eyes and well used ears. Lovely soft well broken coat, firm topline, just not the neck of first 2, so therefore not as good in front.
4. COATESVILLE MASTER PLAN. Promising b/t, elegant mover with good head carriage. Lovely flat silky coat. Nice tans, dark eyes. Needs time to mature.
5. COLOORA MASTER CARD. Sweet blen, went well around ring. Nice to go over on the table, a well-balanced boy, but a bit overawed and therefore not using his ears and tail to advantage.

Junior Dog (9).

1. MELLOWAY ADRENALINE RUSH. Very glamorous blen, well presented in excellent coat and condition. Well handled, went very well with a firm topline & well placed tail. Gentle but masculine head, well pigmented, full well used ears, my only criticism is that I would like his eye to be a little darker.
2. LAKEISHA MISTER MYSTERIOUS. Elegant blen of good make and shape, lovely neck and shoulders leading into short level back. Sweet head that I preferred to 1 with lovely eye and expression. He does not have the glamour of 1 but when he coats up he will be a very nice dog.
3. CAVASHON THE NIGHT WATCHMAN. Heavy marked tri that I liked a lot on the table. Moved very well around the ring, lovely neck and shoulders, short level back. Dark eyes, nice bright tans, mouth needs to improve slightly, well boned. A nice boy.
4. DAPSEN HEEZ THE MAN. Glamorous well-made bigger boy. Very masculine, but gentle in head. Large eyes, good ear leathers. Well boned, moved soundly holding a good topline and well set tail.
5. COLOORA DANCE WITH THE DEVIL. Smaller blen well balanced boy with good neck and shoulders. Went well around the ring, round eyes, long ears, pigment slightly off.

Intermediate Dog (11, 1 abs.) Quite a hard class, 4 very nice dogs.

1. CH DAPSEN THE WINNING LOOK. Well broken blen with masculine full head. Went soundly around the ring, nice round eye, good pigment, lovely ear length & use. Nice neck and shoulders, level moved well holding a firm topline & well set tail.
2. CH MARCAVAN MASTER THE LOOK. Elegant moving blen, masculine head with nice round eye, good pigment. Not a glamour boy but an honest sound moving dog that looked very good in profile. Level top line & well set tail. Nice boy.

3. MATMOR DON GIOVANNI. Ruby of lovely colour, flat silky coat. Very exuberant on the move. Pleasing head with nice eye and good pigment, good length of ear, went well both ways.
4. CH TORAYLAC MASTERPIECE (IMP UK). Short backed blen, nice shape and size. Good masculine head, sweet temperament, well boned, good pigment & eye. Went well holding a firm topline and well carried tail. These four I'm sure must change places all the time.
5. BRIMARVAN ICY REFLECTION. Well marked blen with spot, nice shape standing. Moved well around the ring. Full head with round eye, good ear length and use, but not as soft in expression as above.

Limit Dog (10, 1abs.)

1. JESSICAV TTL ECLIPSE OTH HEART. Lovely tricolour, won this class on his lovely outline. Fabulous neck & shoulders, excellent topline & tail set, looked really good moving around the ring. Sweet but masculine head with lovely expression, round dark eyes, bright tans. Lovely ear leathers, well presented in lovely condition. A young boy only just 12 months, but I really liked him. Reserve Dog Challenge. Had to give way to his more mature kennelmate.

2. MARCAVAN STORM CHASER. Another lovely boy, close decision. Loved his head, classic with soft sweet expression. Nice mover around the ring, very elegant and sound, lovely pigment & eye. Richly marked chestnut coat of good texture. Maybe not quite the neck of 1, but 2 lovely boys.
3. BRIMARVAN MIRROR IMAGE. Well-made blen, well presented and handled. Richly marked coat, lovely mover around the ring, good bone. Masculine head with good length of ear, well used. Nice round eye but I would prefer them a shade darker. Not quite the lay of shoulder of above.
4. DAVENTRI NIGHT RIDER. Tri boy with pleasing head, bright tans, dark eyes giving good expression. Well made with nice lay of shoulder. Held a firm topline on the move.
5. DAPSEN DESTRUCTION MAN. Sweet headed tri, well-marked and well presented in full coat. Nice head and eye, bright tans, not the reach of neck of the others, so did not look as good moving in profile.

### Australian Bred Dog (9, 1 abs)

1. CH DAPSEN THE JAZZ MAN.  
Well broken blen, looked good going around the ring. Correct head, not too short in muzzle, lovely soft silky coat of excellent texture. Round eyes, well placed ears, alert expression. Moved soundly. A nice boy.
2. CH COLOORA ROCK THE BOAT.  
Heavier marked blen. Correct head with round eye giving good expression. Well boned, sound moving dog, just not the neck of 1.
3. CH KORGIL THE GAMBLING MAN. Well-marked small tri, lovely head and expression, bright tans, black eyes, good ear length. Well boned, sound moving but was fighting the lead a bit. Good neck & shoulders.
4. CH COATESVILLE FOREIGN AFFAIR. B/t looking very elegant in profile. Well presented with lovely flat silky coat. Dark eyes, bright tans, moved soundly with lovely head carriage & topline, but not as gentle in expression as above.
5. CH LACELEE LIASON OF LOVE. Well coated ben, masculine head, round eye, good pigment. Nice bone, moved with happy temperament, just not quite as good in front.

### Open Dog (7).

1. CH EIREANNMADA TAKING OVER.  
Glamorous tri in full coat. Correct head with lovely expression, round eyes, enough muzzle, lovely ears used well. Well laid shoulders leading into short level back. Well presented in soft silky coat, bright tans, well boned. Went soundly around the ring. In the final challenge he kept standing a little close in front. Very nice boy.
2. MILETREE ROYALIST (IMP UK).  
Another nice boy, this was a close decision.  
Richly marked blen, lovely soft head with gentle expression, round eyes, lovely ears, round bone, very good mover.
3. GR CH CAVASHON MONOGRAM. Well-presented blen, looked good going around the ring. Round eyes (not as dark as above) good pigment, lovely coat well presented. Sound happy mover.
4. CH DOPELL TAYLOR MADE. Nice headed dog, round eyes, again could be darker. Went very well both ways. Lovely coat of good condition, well presented, good bone. Pigment slightly off today.

5. CH MATMOR DUKE ELLINGTON. Glamorous b/t, lovely to go over on the table. Looked very good standing. Bright tans, silky coat, well presented. Good ear length & leathers. Just a touch overdone in head for me.

Veteran Dog. (2).

1. GR CH DAPSEN MAKE MY DAY. Well he made my day, glamorous tri, 7 yrs. young. Beautiful head with dark eye & sweet expression. Lovely reach of neck, well laid shoulders leading into short level back, moving very well around the ring, very strong hind action. Just a lovely type of dog, just what I was looking for. Pleased to award him the Dog Challenge, only beaten by his daughter the next day!!
2. GR CH ELZMERE THE MYSTIK. Ruby boy looking very good for his age of 10. Soft head with lovely eyes giving good expression. Lovely soft silky coat of good colour. A nice type of boy, just couldn't match the strong rear action of 1 & needs a little more body weight.

5. MELLOWAY SPARKLING JEWEL. Sweet blen, nice shape standing. Well marked with spot. Nice crested neck, dark eyes with sweet expression, went well around ring. Shows a little white in one eye.

Junior Bitch. (12, 2 abs.)

1. RETRAC STAR OF THE SILVERSCREEN. Blen with pretty head, dark eyes and well used ears. Lovely temperament, well boned, went well both ways holding her topline. Nice to see her moving without being strung up. Nice coat and ear length, to be critical her tail set is a little low, a nice bitch.

2. INNESVEIL LOVE STORY. Nice blen bitch, a little shorter in back than 1. Lovely neck and shoulders, good front. Well presented in excellent condition. Well-marked coat with spot. Round dark eyes, level mouth, went well.

3. INNESVEIL FIRST LOVE. (Litter sister to 2. I see.) Thought this my class winner on first move around the ring. The best mover and outline in the class. Very eye-catching bitch with well broken coat presented in lovely condition. Sweet head with round eyes, unfortunately mouth needs to correct and not quite as dark an eye as above 2.

4. KASADCAV CHARLIES ANGEL. Pretty headed blen, well marked with good ear length and placement. Very mature in body, went very well behind, but carrying a bit too much weight on her shoulders which is pushing out her front.

5. MARCAVAN CRUIZING WITH A STAR. Elegant moving blen, pretty head with quizzical expression. Heavier marked coat of silky texture. Not moving as well in front today as above. A nice honest bitch.

Intermediate Bitch. (17, 3 abs.)

1. CH MELLOWAY INTOXICATING. Caught my eye on entering the ring and did not disappoint. Very clean cut bitch, rich chestnut markings, lovely neck and shoulders giving good outline. Held herself well around the ring. Lovely temperament. Pretty head with good pigment and round eyes. (Could be a tad darker.)

2. CH DAPSEN A BLONDE MOMENT. Another lovely blen, a close decision between these two. I had a touch more neck and was richer in colour, this had a slighter shorter back. Very feminine head with round eye. Lovely long ear leathers, beautifully presented in soft silky coat, well handled.
3. CH DOPELL TIGER LILY. Well broken blen, nice shape standing. Sweet head with round eye. Well used ears, well boned, went well, good front.
