Presidents Message

Welcome to the CKCS Club of Victoria's Autumn newsletter. I would like to open this edition by remembering one of the club's founding members and previous president, Allan Goodwin who passed away peacefully in February. Without people like Allan, who knows how successful our beautiful breed would have become in Australia?

We can only but thank those who dedicated so much time and energy in supporting the creation of our Breed Clubs and to those who have continued to promote the breed in such a positive way. It is imperative that we ensure the continued success of our clubs, not just for the betterment of our breed but also to continue the good work of our forebears.

Our Open Show which was held in conjunction with the Dogs Victoria Big Day Out at KCC Park, was overwhelmingly successful this year with a good entry and a very social atmosphere with exhibitors enjoying a shared celebration lunch prior to Christmas. Our trainee judges are always excited to have the opportunity to judge large classes of dogs and find the experience invaluable.

Committee member Penny Windlow ran our inaugural Restricted Height to Obedience and Rally O Trial with an entry of 61 dogs and as I write, club member Sue Smith is running our Agility Trial which looks set to be another success for the club.

Please continue to support these events, and if you haven't been to one in a while then please visit our Club Events' page on the website for further details. The effort to organise such events is huge and thanks must go to everyone who gives up their time and who helps out in any way.

One of our new committee goals for this financial year was to assess our club's finances and implement fund raising opportunities to increase our club funds. Please support our Wine Drive, information of which is in this newsletter.

We will also be holding a silent auction at our Championship Shows, so any donations would be well received. We look forward to sharing with you other fundraising events in the coming months.

It is very exciting to think the next major event will be the June Championship Show double header. Two days, two separate shows with two world-renowned judges.

Please endeavour to attend this event and be part of the action. This year we welcome to Australia Mr Michael Levy from Pascavale Kennels, UK and Mrs Katie Sloan from Turretbank Kennels, UK & France.

Donations towards our trophy table and rosettes are welcomed.

Lastly I would like to welcome Mervyn Bergmann of Inverglenn Kennels to the role of club Patron. We are honoured to have Merv representing our Club.

Best wishes to you all.

Secretary's Message

The CKCSC of Victoria's year is well underway with an Agility Trial in March & planning for our June Shows well under way.

Many hands make light work and the club enjoyable. We have quite a few members volunteering their time to help and support the club with various roles, responsibilities or just jobs on the day. If you can help out the club in any way please put your hand up and tell one of the committee members. A great deal of work happens behind the scenes to enable events to run and run smoothly for all to benefit but mostly for our beloved breed to benefit.

Sue Smith is organizing the **Agility Trial** to be held at **KCC Park on Saturday March 19th 2016**. As I write my report there are in excess of 120 entries with more entries expected. If you're free on the day please go a long and support the competitors and Sue and her band of merry helpers. We thank Sue and her helpers for all the time and dedication they have put into this event before, during and after the trial...

You will find the **Championship Shows' schedule** in this newsletter, on the club website and FB page and it has also been emailed out to all members in the March E-Letter.

If you are planning to enter please **do not leave your entries to the last minute (the closing dates are the closing dates)** there is much to do after entries are received and limited time by those involved in the organization of the show does not allow for everything to be checked & hopefully prevent errors if entries are left open to the last minute.

Donations to the **Trophy Fund** will be grateful accepted, (details in the newsletter) and can be deposited directly into the clubs Bendigo Bank Account, with your surname & C/S attached and then send a brief email to the secretary to alert her to your donation.

There will be a **Silent Auction** held as a Fundraiser at the show, starting on the Sunday Morning and concluding at the end of Lunchtime on the Monday.

If you have items to donate it would be appreciated if you could contact **Pasty Finnie on 0411 864 616 or 0418 995 810** in advance to enable Patsy to be organized. Objects of delight will also be gratefully accepted on the Sunday.

If you require a **Title Plaque** and or shield please fill out the *form on the web page* under the members tab and submit it ASAP. The presentation of title plaques was started a number of years ago by the previous committee and is a wonderful way to remember your dogs' awards.

Joy McInnes has organised a **Heart Clinic** on the *Sunday Morning* with *Richard Woolley* and an **Eye Clinic** on the *Sunday afternoon*. These clinics will be in the "First Aid" Room located in front of the grass rings and bookings can be made through Joy. Further details on the Health Clinics can be found in this newsletter.

Like the saying that "An army marches on its stomach", a club of any sort, with volunteering committee, operates on funds raised by various means. With members' busy life schedules **Fund Raising** often gets put on the back burner as it's in the too hard basket.

We have had a few members come forward with ideas & volunteer their time to fund raise. **The Silent Auction** being one of them....there are a few plans underway for some other events we'd like to get off the ground and more details will be given when organization is further down the track, including a **Trivia Night** which also be a great social gathering full of fun & games.

Meanwhile we have the opportunity to raise much needed funds, with our own *Cavalier King Charles Spaniel Club of Victoria* **Wine**.....*good quality reds and whites*.

Whilst Joy McInnes is in charge of this fund raiser we would like members to come on board to not only order some wine but to also gather a few orders from their friends....

We submit the orders, it gets delivered to a nominated location, you collect your ordersthe winery does all the rest of the work and the club benefits financially.

Please contact Joy or a committee member if you are able to & willing to contribute to the club by helping our wine sales.

2016 - Bring It On!

It's hard to believe we are almost at the end of another summer. It doesn't feel like that long ago that we were welcoming in 2015 ... and now here we are, well into 2016! Perhaps it's just a case of "time flies when you're having fun".

The boys finished up a mammoth year in 2015 in fine style. Fletcher earned two passes towards his Companion Dog Excellent (Open) Obedience title, and several non-qualifying placings. He tries incredibly hard, but as you progress through the levels in Obedience and the exercises become more challenging, there are so many more things that can go wrong. But as long as he remains a happy, willing worker, then my main goal is met.

Fletcher and I also travelled to Cooma in NSW in November to show at the Cooma Monaro dog show circuit. We had a lovely time there, netting five Neuter in Groups, and Fletcher's very first Neuter in Show! That was an incredible moment if ever there was one, and a wonderful way to complete Fletcher's and my first year in the show ring.

Not to be left out, Soldier also decided to finish off 2015 with a bang by earning his Jumping Dog (Novice Jumping) title at Bulla in December with two beautiful clear rounds, and a fourth and second placing in a ring of about 30 entries. He may only have one eye, but he has more than enough determination to make up for it.

The dog clubs close down over the summer, and while we enjoyed a rest from the trial and show rings, the training continued. Fletcher learnt how to weave through 12 poles in anticipation of entering Novice Agility, and has commenced learning some of the Utility Dog exercises for Obedience. We have also taught ourselves all the new Rally-O exercises in anticipation of heading back into the Rally ring this year to try for the brand new Rally titles: Rally Master and Rally Obedience Champion!

Soldier's focus work has continued, and he is giving me some gorgeous off leash heelwork. We have also started training for his Endurance Test title; if he is successful in attaining this, he will become one of only a tiny handful of Cavaliers in Victoria to earn this title. So far, his training is progressing well and his stamina is increasing to cope with longer distances.

My main discovery this summer has been using a clicker for training, and I am wondering what took me so long! Such a simple tool, yet so incredibly effective!!! The boys are responding to it very strongly and it is giving me the ability to capture desired behaviours more accurately.

As we head towards the end of February, dog club training has recommended, I am getting the boys ready for their first shows of the year, and I've just sent off their first trial entries for the season. Whatever else, 2016 will definitely be full of fun for us :)

Vale: Allan Hartley Goodwin

29/10/1921 – 28/2/2016

I first became acquainted with Allan in the early 80's prior to us moving to Australia and taking up residence in Melbourne.

Allan had judged a Specialty in NZ in the early 80's at which I was lucky enough to win both Reserve CC's ... I remember joking with him at the after show function "that he could have at least given me 1 of the CC's". One thing that stood out on that initial meeting and has been echoed by many in the ensuing years is – what a gentleman Allan always was.

A founding member of the Cavalier KCS Club of Victoria, Allan was also President for a period of 10 years from 1975. Of course he was also a Life Member of many years standing.

Prior to Cavaliers taking over Allan was also a staunch enthusiast of the Irish Setter and had great success showing them although not actually breeding them.

Ch. Gaycav Lively Anne (born in 1972) was the first Cavalier KCS owned by the family (bought for daughter Shirley). "Anne" was to be the foundation of "Vauntifiere" Cavaliers and was herself a Specialty BIS winner at the Victorian Specialty in 1977 under Mr. Roger Bridgford.

Some of the well-known winners bred by Allan and his late wife Sylvia under the Vauntifiere prefix include Champions Tawie, Oriana, Aquadubs, Rhapsody to name a few and the last homebred BIS winner Ch. Vauntifiere Spellbound who was the sire of the final Vauntifiere litter born in 2000.

His judging career as a respected All Breeds judge took him around the Globe and judging was something that Allan always enjoyed and took very seriously. I know he was very grateful for the opportunities afforded him as a Judge which he always felt was an honour.

Raewyn & I were pleased to be able to call Allan (and Sylvia) friends ... and in the last 10 years or so we were privileged to be able to assist Allan with having much loved companions with him at their home in Mt Waverley.

RIP dear friend – now with your beloved Sylvia.

Red Cliffs is in Victoria just a short distance from Mildura. The colour is deep red with purple hues, the aroma is of mulberry fruit & spices. A medium bodied style with flavours of plum, cherry and spice with soft tannins.

4. MARLBOROUGH SAUVIGNON BLANC 2014

The 2014 vintage is a record harvest in Marlborough. This wine is intensely flavoured with hints of tropical fruit and herbaceous aromas. A wonderfully balanced style with a fruit salad bowl of flavours and finishing with a crisp dry finish

5. VICTORIAN PINOT GRIGIO 2015

Night harvested and cold fermented in stainless steel to protect the fresh fruit characters, our Pinot Grigio will waken your taste buds with vibrant flavours of pear, apple & citrus and a crisp dry finish. A superb summer wine.

This Chardonnay has been produced from selected high quality fruit. The result is a fresh, ripe and elegant aroma with complex delicate fruit flavours.

7. FRENCH SPARKLING BRUT
