The President and Committee of the Cavalier King Charles Spaniel Club of Victoria Inc. Welcome all members, exhibitors and friends to our Shows.

The President and Committee would also like to express their appreciation to all who have donated sashes and trophies.

**Judging will commence at 08:30am with Baby Puppy Dog, followed by Baby Puppy Bitch and then Best Baby Puppy in Show, then all breed classes.**

Neuter Classes will be held prior to Best in Show judging.

Special Property Classes will be held during the lunch break.

The Club wishes to thank the Judges, Stewards, and all who have contributed to the successful conduct of this Show.

Champion Title and is now known as

**Ch. Kqrac The Ring Of Steel**

Breeder: V McLaughlin

Bob owned by Vivienne McLaughlin gained his  
Champion Title and is now known as

**Ch. Kqrac Chicargo White Sox**

Breeder: V McLaughlin

Logan owned by Joy McInnes gained his  
Champion Title and is now known as

**Ch. Innesveil Northern Dream (AI)**

Breeder: J McInnes

## Parade of Veterans

### Champion Neuter Grand Champion Dapsen Eye Catcher "Katie – Jane"

**Blenheim**

DOB: 27th July 2009

Bred by: Denise Petersen

Owned by: Vivienne McLaughlin

Sire: Sup. Ch. Dapsen Whoops

Dam: Ch. Dapsen Mis Indipendant

Katie-Jane 'chose' me ...I'll never forget those eyes looking at me & saying, "Hey lady - you aren't leaving without me!" I had never planned to take a puppy - I just wanted to look and learn.....the rest is history. "KJ" is my soul and also a survivor of my horrendous car accident. She has also survived 3 rounds of "BLOAT": the first in Launceston on a Sunday night after winning "Neuter In Show" then 2 years later on a Public Holiday and just recently in April on a Friday night. "KJ" loved to entertain the crowds and torment me with her creativity in the ring, including the 360 loop in the air & march with locked.....She titled, "Aust. Ch." well as an entire and easily gained her Grand Neuter title with multiple Best Neuter In Shows at Specialty & huge metropolitan shows as well as multiple Neuter In Group awards by just accompanying her three titled daughters & her house mates to shows. Aptly named, "Eye Catcher", KJ caught my eye and those of many International & Australian judges who have awarded her highly; as well as friends & general public wherever she goes.

### Champion Matmor Trooping The Colour "Ebony"

**Black & Tan**

DOB: 13th June 2010

Bred by: Mathew Morse & Will Henderson

Owned by: Vivienne McLaughlin

Sire: Grand. Ch. Matmor Fairgrnd Attractin

Dam: Ch. Elfking Thumberlinamouse

"Ebony" is modeling her active wear range of clothes today. She walks daily and is now the companion of my friend Rosie, replacing her Gordon Setters. Eb's sister "Lizzie", having belonged to Rosie's mum, Elizabeth, recently passed, also joined Eb, in the household..... so as they began life together are also be together in their final days. "Eb" has produced well for Matmor with Supreme Champions & Champion decedents through her son Cyril and grandchildren Paige & Beckham. "Eb" was always going to be named, "Ebony", in honour of my Gordon Setters, most of whom had the words "Ebony or Black" in their registered names.

### Supreme Champion Matmor Secret Society "Sophie"

**Black & Tan**

DOB: 10th August 2012

Bred/Owner by: Mathew Morse & Will Henderson

Sire: Ch Cobbets Cockney Rebel (Imp UK)

Dam: Grand Ch Matmor Poison Ivy

To have bred a bitch that has excelled in the show scene wonderful but that fact she went on to become one the breed's most illustrious dams makes her a pearl beyond measure. Sophie needs no introduction, her success in the ring was enormous as were her antics. She has been such an effervescent show dog, in fact her tenacity and demonstrative demeanour meant she was at times rather reckless, but when on task, she was unstoppable. Not only was she the first black and tan Cavalier bitch to win an All Breeds Best in Show in Australia but she also won an incredible 20 Speciality CC's. To date, seven of her offspring have gone on to be Speciality Best in Show winners and five are All Breeds BIS winners as well. There are ten champions – in all four colours and four supreme champions and another grand champion. Her offspring all possess her 'look at me' temperament, her glamour and striking outline.

**Neuter Champion Elreav Caramel Fudge CD RA TD "Jackie"****Blenheim**

DOB: 29th March 2013

Bred by: Sue Reavley    Owned by: Lynette Milne

Sire: Ch. Dapsen Destruction Man

Dam: Daventri Caramel Crème

Jackie, my first Cavalier, is a real livewire and loves the mental stimulation of dog sports. In August 2022, Jackie passed her Test 3 in Tracking, thus obtaining her Tracking Dog (TD) title. Jackie has a very strong work ethic as this sport involves her favourite pastime, namely sniffing! This year we are learning about Scentwork. We are into our fourth year working for the Responsible Pet Ownership program run by the Victorian government. Jackie and I teach young children how to stay safe around dogs. Jackie loves this work and children in kindergartens and preschools, especially in parts of Melbourne where dog ownership is not high, feel safe patting Jackie. Often patting Jackie is the first time they have had anything to do with a dog. At 10 years of age, Jackie still continues to make me laugh everyday with her antics.

**Champion Edenridge Sweet But Sassy "Audrey"****Ruby**DOB: 14<sup>th</sup> December 2013

Bred by: Chris Darwen

Owned by: Jennifer Wynn

Sire: Sup. Ch. Belljari Chasing The Sun

Dam: Edenridge Naughty But Nice

Audrey, affectionately known as "The Redhead," holds a special place in our hearts as our first whole-colour Cavalier King Charles Spaniel. We owe a heartfelt thank you to Chris Darwen for entrusting Audrey to us at Jenawyn Cavaliers. Our initial show with Audrey was a delightful surprise, capturing everyone's attention. She displayed confidence and proved to be a joy to show. Audrey and Murphy became inseparable companions, attending every show together. She consistently earned numerous awards and achieved impressive titles. Judges praised her head, outline, and movement. After retiring, Audrey excelled as a mother, with her offspring carrying on her legacy. In our home, she reigns as the queen, bringing joy to our lives.

**Neuter Grand Champion Cavalrite Sir Lancelot "Lance"****Black & Tan**

DOB: 5th October 2014

Bred by: Marguerite Baker

Owned by: Jacqie Giggins

Sire: Austradan Wild Colonial Boy

Dam: Cavalrite Petite Sirah

Oh Lance another year since our first lap in veterans. Lance enjoyed a quieter year in the neuter ring but he stayed in the ribbons when he came out. From 11 shows he added..

1 NISS, 1 RUNISS, 2 RUNIS, 6 NIG and 2 RUNIG to his large tally. Heartfelt thanks for the words of support, you all know how much that and this boy mean to me.

**Champion Innesveil Love Spell "Phoebe"****Blenheim**

DOB: 7th February 2015

Bred/Owned by: Joy McInnes

Sire: Nz Ch. Aust Ch. Innesveil Classic Lover

Dam: Ch Eireannmada Bewitched

Phoebe has been our special girl from the beginning. She won her class at every specialty shown, adored by breed specialist. She is a delight to show and own with her loving and happy nature.

**Supreme Champion Dapsen Flying High "Elliott"****Blenheim**

DOB: 6th August 2015

Bred/Owned by: Denise and Aimee Petersen

Sire: Ch. Dapsen Kiss Em And Leave Em

Dam: Ch. Dapsen Glitter In Champagne

Elliott's show career started with Best Baby Puppy In Show wins at his debut All breed and Specialty shows, both under long time Cavalier Specialists. He was a Supreme Champion at 20 months of age, the youngest Cavalier at that time to achieve the title. He achieved so much at all breed show winning in excess of 50 Best In Group awards and many BEST IN SHOW and Runner-up Best In Show wins. Elliott won Royal Best of Breeds at Sydney, Brisbane, Canberra, and Hobart Royals, he then went on to win Best in Group at Brisbane Royal, Gr 2nd and 3rd at Sydney Royal, and RUBIG at both Canberra and Hobart Royals. His record at specialties included 11 Specialty CCs, Multiple specialty Best In Show and Runner Up Best in Show wins. Elliott's final show of his career was a Specialty Best In Show. Elliott only produced a very small number of progeny, but the litters he produced included multiple champions, a specialty BIS winner and multiple All Breed Best In Show winners, the most notable being MBIS BISS C.I.B Sup Ch Dapsen Mirror Mirror. But the best thing about "Baby Satan" is his truly amazing temperament, the "King" of Dapsen he is a most treasured pet and a joy to have around.

**Champion Lakeisha Lord Spencer "Spencer"****Blenheim**

DOB: 5th March, 2016

Bred/Owned by: Michelle Creek

Sire: Korgil Admiral Of The Fleet

Dam: Lakeisha Never A Doubt

Spencer was the long awaited puppy after three unsuccessful attempts at getting his mum, Kenzi pregnant. He was successfully campaigned to his title, winning in group awards along the way. But his winning role has been to worm his way into my heart and onto my bed each night. He is the patriarch in our home and his grandchildren are now being shown.

**Supreme Champion Caribelle Icy Cold But Cool (Ai) "Corey"****Blenheim**

DOB: 15th May 2016

Bred/Owned by: David McCullough

Sire: Am. Ch. Can. Ch. Kinvaar Believer Fever (Imp UK) Dam: Sup. Ch Caribelle Fairy Tale

Now retired from the showing, "Corey" exceeded our wildest dreams as a show dog and as a sire. Winning his first Specialty Best in Show at just 14 months of age and he repeated the win the next day. He would go to win 7 Specialty Best in Shows and 3 Runner Up Best in Shows Only ever exhibited at 2 Royals, both in 2022. He was Runner Up Best in Group at Canberra Royal which he followed with Best in Group at Sydney Royal. A multiple Best in Show winner at all levels, his last BIS being at almost 6 years of age after which he would soon retire. Currently the sire of 21 Champions (including 3 Supreme Champions) with many others pointed. Nowadays he takes it easy at home but is still very much "top dog".

**Champion Innesveil Loves Design JC "Angus"**

**Blenheim**

DOB: 5th June 2016

Bred by: Joy McInnes    Owned by: Jacqie Giggins

Sire: NZ Ch. Ch. Innesveil Classic Lover

Dam: Gr. Ch. Chevalove Imperial Design

A boy with beauty and brains. Angus was awarded 2 BIG, 2 RU BIG and multiple classes in group to help make his title. He has a keen drive which made his Junior Coursing title on the end of his name a delight to be a part of. But his best achievement is what he does best, being himself. Tim and Jacqie love him very much and he makes the family complete.

**Orivet**

# BEST OF BREEDERS

At Royal Canin®, we obsess over dogs, and the perfect nutrition for each of them. Royal Canin® formulas are developed with unique life stage and lifestyle needs in mind – Gestation, lactation, weaning and growth through to the high energy and coat health requirements of the show ring.

Expert Grooming Article

# Cavalier King Charles Spaniel

Over the years it seems the most requests for assistance with coat grooming are from the Cavalier exhibitors. This delightful breed seems to elicit all sorts of questions from all over the world. As the standard calls for a longish silky coat that is free from curl with plenty of feathering, there is a lot of scope for advice. Whilst wave is permitted, curl is not. You will want to have volume on the ears but keep the body of the coat lying closer and the featherings dried smoothly. (read more over page..)

# Cavalier King Charles Spaniel

## Expert Grooming Article

The different coat colours allowed also generate different techniques to keep in optimum condition. Colours must be kept rich and not allowed to fade.

You can't beat the **Plush Puppy All Purpose Shampoo** for coat shine. The **Plush Puppy Herbal Whitening Shampoo** is great for the white areas and the **Plush Puppy Deep Cleansing Shampoo** brilliant for more intense cleansing or to remove an unwanted build-up of products. Use all shampoos at a ratio of 1:5 (1 part shampoo to 5 parts water).

The Whitening Shampoo is a toning shampoo so it is effective for minimising unwanted warm tones in the coat such as yellow or rusty tones and to generally cool down reddening on a black coat.

For greater whitening use **Plush Puppy Wonder Blok**. It helps to maintain a white stain free coat. It is not a bleach and contains no harmful chemicals but high amounts of naturally sourced vegetable surfactants and glycerin. This product is designed to remove gently unwanted warm/red tones to the coat. Best used on a damp or wet coat. Gently rub into the areas required allowing time (5-10 minutes) and rinse. For maximum effects repeat or allow a longer time for this amazing product to work. As with all products take care around eyes.

With this head type and especially around those eyes, use **Plush Puppy Let's Face It Shampoo**. This is a hypoallergenic sulfate free low foaming shampoo designed just for faces. It's no tear formula features the highest quality Blue Cypress Extracts, Panthenol with Pro Vitamin B and SugaNate. These special ingredients clean, soothe, add moisture, aid healing and have anti-inflammatory benefits. A small golf ball sized amounts directly to the face and eye area allows you to thoroughly clean without causing irritation. It can also be used in and around the ears with the same benefits. Its low foaming design allows ease of rinsing, yet complete cleaning.

After shampooing, for this coat use **Plush Puppy Silk Protein Conditioner** at a ratio of 1:10 (1 part conditioner to 10 parts water - can be used up to 1:20). Apply to the dog, massage in and then rinse.

Natural Silk Protein conditioner leaves the coat with a wonderful finish, reducing static electricity and fluffiness in "fly-away" coats. It features an intensive formulation boosted with Silk Amino acids and plant extracts that bind keratin in the coat, strengthening whilst protecting against moisture loss. It assists in repairing the coat by using herbal extracts that are rich in natural antioxidants. These are excellent for moisturising and strengthening coat, smoothing the cuticle, detangling the coat while soothing dry skin. Natural Silk Protein Conditioner restores hydration and vitality for a naturally softer, silkier more lustrous coat.

**Plush Puppy T.L.C. Coat Conditioner** can also be used for a Cavalier coat. This comes in a ready to use spray bottle. Use as a normal conditioner and rinse out, or as a leave-in conditioner treatment. T.L.C moisturises and detangles the coat leaving it with excellent shine. It features a sublime light refreshing coconut fragrance.

For brushing this coat, make sure you are using a moisturiser first rather than attacking a dry coat. **Plush Puppy OMG** is the perfect product for this coat. A light spray and brushing in allows complete coat refreshing. It separates the coat and leaves the most amazing finish. Use **OMG Concentrate** diluted at 1:20 (1 part OMG to 20 parts water) or **OMG ready to use**. The stronger the mix the stronger their effects. Different dogs at different coat stages means different mixtures.

Using OMG can be a one-off at shows or during the drying process after bathing. An amazing product for regular brushing also as it hydrates the coat and reduces stress and coat loss. OMG can also be used on top coats and brush/polished in for that wonderful smooth and flatness to the coat. It never builds up and never goes stringy. A must for this breed.

It is a constant discipline to remember to do the rituals of good maintenance. We can all tap-dance and fly into a panic trying to remedy a coat that is less than wonderful prior to a show but it sure is easier to have a good coat condition to start with.

Should the coat need salvage techniques just prior to a show then use **Plush Puppy Blow Dry Cream**. Add 1 tablespoon to 1 cup of water and apply to the coat. It will instantly soften and flatten an overly dry coat but unfortunately won't grow the length on those featherings for you!

For showtime grooming, you will need to do two techniques - one for the body and featherings, and one for the ears where you want more lift and fullness. The featherings should not be curly so apply **Plush Puppy Swishy Coat** at a ratio of 1 tablespoon to 500mls of water. Saturate the featherings with a liberal spray or sponge through. You can dilute further but this is a good starting point for the average coat. Variations will occur with coats so you will need to adjust this dilution rate to suit.

Using a cushioned oval **Plush Puppy Ultimate Pin Brush**, dry till  $\frac{3}{4}$  dry as this won't stretch the featherings then switch to the **Plush Puppy Ultimate Anti-Static Porcupine Brush** which is an oval cushioned half bristle, half dialon brush to finish by smoothing the featherings. I use the two brushes as it is detrimental to the coat to not overly stretch hair when wet hence the use of the Pin brush first till almost dry. The Swishy Coat will help to keep the coat smooth and straight and shiny.

Now apply **Plush Puppy Volumising Spray** to the ear featherings for quick and easy fuller coat results. Perfect either before blow-drying or used to "fluff" up the coat at the show. A light even spray, brush in until dry or use a dryer. This is a hair thickener to add volume, not a hair stiffener and not easily detectable as it leaves the coat with a natural fuller look and feel. Just perfect for ears and anywhere requiring a bit more lift.

Use the Pin Brush to  $\frac{3}{4}$  dry and either finish with the air from the dryer and your fingers for a more tousled finish. Alternatively you can complete the drying lightly with the Pin Brush for a more regulated but still loose but full finish.

Finish with a **Plush Puppy Professional Grooming Comb**. The lightweight oval shaped spine combining fine and coarse pins will reduce drag and static to the coat. Perfect for use for this breed of dog.

The picture you are trying to achieve with this breed is for a wider look to the ears so that they appear to fan forward to frame the face when alert. Now the hardest part is done and out of the way. The rest is a roll down the hill to the show. It's a good feeling to have the hard work done and the fluffing only to do on the day. Just keep those ears dry with a snood and keep the **Plush Puppy Wonder Wash** and a dryer handy for the featherings underneath when the dog pees indiscreetly. This which is a no rinse wet instant shampoo for last-minute emergencies that will clean up anything, pronto. Just spray foam with the fingers and towel off.

The show ring beckons and for the fidgety exhibitors such as myself you will have no problems finding things to do so let's make it effective. A light sprinkle of **Plush Puppy Pixie Dust** onto the brush and tapped lightly through the coat just catches the glints of sunlight or spotlight. Not too much. Your little pixie is not the glitter fairy so don't turn him into one. If you can see it when you put this on, then you have gone overboard. It does look sensational but needs a wise hand. Finally, a very light spray of **Plush Puppy Shine and Comb** onto the topline and sprayed from a distance to keep it spread lightly and effectively and you are ready to hit the stage.

At times due to various reasons including the weather static electricity can create flyaways. If this occurs use **Plush Puppy Anti-Static Coat Control**. This is a lightweight spray using the latest technology is infused with organic extracts of Witch Hazel Leaf, Linden Flower, Birch Bark and Nettle. It also adds to the protection, include a UV filter to stop sun damage and protect against heat strength for the perfect finished look of the coat. This amazing product is idea for this breed and a must for your tack box.

The Cavalier was a favourite of the Royal Courts and is a favourite of yours and many others today. He is a happy little chappy and shown to perfection with a great grooming routine, he is just something else again. He has a lot of natural ability in his appearance that just needs tender loving care. Such a wonderful breed.

# The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

## So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

# Eye Envy

## Natural Ingredients

Eye Envy Tear Stain Remover products are a proven cleanser and beautifier for external use on pets. All of the ingredients used in making the Eye Envy range of products are completely natural and safe. We certify that NO ruminant materials are used in the whole process of manufacturing Eye Envy products.
