INCREDIBLE IN EVERY DETAIL

FROM THE PRESIDENT

Dear Members

Firstly thank you for your support of our 'double header' Championship Shows held on the Queen's Birthday long weekend. Two very busy days, two internationally respected judges, two beautifully furnished trophy tables all because of the vision, commitment and tenacity of one very hard-working and talented committee who gave up their time to take on fundraising and other duties.

Next year promises to be just as exciting with judges Wendy Sweetbriar from the UK and Mr Philip Carthy from Ireland residing over our entry.

Two shows mean a significant amount of work and in review there are plenty of things our committee wishes to perfect in future years, however, we are determined to continue to improve and take on board your feedback to make our Championship Shows as wonderful as possible. Many members worked tirelessly for the Club over the weekend with some selling raffle tickets, stewarding, manning auction tables, transporting judges – the list goes on ... but special mention must go to all of you who so generously contributed to the trophies, sashes and prizes.

On 1 July 2019, the Pet Exchange Register will come into operation in Victoria. This is a state-wide register set up by Animal Welfare Victoria under the Domestic Animals Amendment (Puppy Farm and Pet Shops) Act 2017. Please see Dogs Victoria link below.

<https://dogsvictoria.org.au/members/knowledge-centre/the-law-and-you.html>

You are invited to attend our AGM in August which will be held at KCC Park. I appreciate that venturing out on a cold winter's night isn't always the most exciting thought but please if you can, make the effort to come along. We welcome your thoughts, discussion and the voting of our 2021 Championship Show judges, whose resumes will be published in the coming weeks.

Best regards,

Will Henderson President
CKCSC of Victoria Inc.

SECRETARY REPORT

Thank you to everyone who entered or supported our recent championship shows in June. It was a difficult start with losing our contracted Judge but we were so fortunate that we were able to acquire Markus Kirschbaum from Germany at such short notice.

The shows were a great success and exhibit numbers the best seen around the country for some time.

Our committee and helpers who did setup and breakdown I want to express my sincere thanks for your hard work.

Our officials on the day were fabulous and told me how much they loved their days with the cavalier exhibitors.

The club held a Heart clinic with Richard Woolley at the show once again this year which was well supported.

Richard is available to do private clinics at local vets and he will if you organise enough dogs do a home visit clinic (more than 8 dogs) Please contact him directly for details.
We also had a special club rate on that weekend from ORIVET for DNA testing which we thank them for.

Breeders are you up to date with all the new code of practices changes and the PER source number needed if you are advertising puppies.

The DOGSVIC web site has all the info to keep up to date.

End of year means getting ready for the next AGM AUGUST 6TH which is listed further in this newsletter and nominations of next years committee.

If you are interested in helping the club and have a small amount of free time please consider joining our club.

We are flexible with meeting times and venues and these days with internet life can be made more simple.

Nominations for 2021 Championship Judges are now being called for also.

In closing I wish to thank the committee that have supported me this year in my role and hope to see lots of members at our upcoming AGM.

Mr Roger Madec “Les Cavaliers De la Geode” (France)

Parisian by birth, oddly I did not grow up with a dog. As a youth, apartment life did not allow pets, but I loved dogs. I acquired my first Cavalier in 1986 (a black and tan bitch) and my first King Charles in 2006. I attribute much of what I know today about dogs to my mentors, Danielle Marchand and Daniel Olivier (Marliviers Kennel). In my words, « these are the people who pointed me in the right direction. I learned so much from them and I always will be grateful ». With my first litter of Cavalier born in 1988, I began showing in 1994. My website features many of my winning Cavaliers including Gentle Guy De la Geode (International, Gibraltar, Luxembourg, Belgium champion and second in open class at Crufts 2016), and Enea De la Geode (French champion and Best of Breed at the World Dog Show, Paris 2011).

After 20 years of breeding champions (I produced 160 champions), my interest turned towards judging. Initially, I qualified to judge Cavalier and King Charles and later I moved on to the Toy group. My other favourite breed to judge is the French Bulldog. Presently, I judge Cavalier and King Charles, Papillon, Phalene, Ruskky Toy, long and smooth coat Chihuahua, Poodles all sizes, Tibetans, Cotton of Tulear, Chinese Crested dog, Boston terrier and Pug. I'm certified to judge in all countries. To date, I have judged in the USA, GB, Denmark, Belgium, Czech Republic, Sweden, Poland...

I am also Vice President of the Cavalier and King Charles Breed Club and member of the Breeding Commission of the Central Canine Society.

I feel that champion qualities of a Cavalier are well-proportioned with a typical beautiful head and large dark eyes. A bad top line, sloping croup and small eyes with a hard expression are major faults.

My other interests in Cavalier events include agility and musical heel work. Outside the fascinating world of dogs, I enjoy gardening and studying nature.

Katie-Jane 'chose' me.....I'll never forget those eyes looking at me and saying, "Hey lady – you aren't leaving without me!" I had never planned to take a puppy – I just wanted to look and learn..... the rest is history.**"KJ"** is my soul and also the survivor of my horrendous car accident. She loves to entertain the crowds and torment me with her creativity in the ring, including the 360 loop in the air and Hitler's Youth March...However she titled well as an entire and easily gained her **Grand Neuter** title with *multiple* **Best Neuter In Show** at huge Metropolitan shows as well as multiple Neuter in Group awards by just accompanying her three titled daughters and her house mates to shows.

Aptly named, "Eye Catcher", KJ caught my eye and those of many International, Australian Judges who have awarded her highly, as well as friends and general public where ever she goes.

At nearly 10 years of age Chelsea still enjoys running around the show ring now her claim to fame is becoming a Neuter Grand Champion this year.

Chelsea has been the ultimate show girl winning multiple all breeds and speciality in show awards both here and in New Zealand .

Chelsea only had two litters of puppies but she produced 5 champion children from 8 pups

A truly once in a lifetime cavalier

“Mr D”, as he is affectionately known, survived my extremely bad car accident, but still likes to go driving... he sleeps on the bed, owns a set of the longest ear featherings in the business and is thoroughly spoilt.

I am very proud of and love my heart boy aka *“Dicky Dee”*.

A Specialty RUBIS, CC and RCC winner, this lady had an enchanted time at the specialty shows, invariably winning her class. She comes from a magical breeding that we repeated three times – other siblings include the specialty winning Multi BISS Sup Ch Matmor Fun O The Fair, BISS Ch Matmor Don Giovanni and BIS Ch Matmor Sir Guy O Gisborne.

Tracker Dawg

Here we are, a brand new year in front of us, and plans to make for us and for our Cavaliers. My dogs and I are in the middle of a two month break from competition – we take the summer months off each year to chill out, work on our training, and for the boys to have some well earned “dog time”.

The boys finished up 2018 in fine style, having achieved some stellar results across multiple disciplines.

Solider had a relatively quiet year this year, but still kicked some significant goals. He passed his Tracking Tests 1 and 2 – one at the start of the season and one at the end of the season, with a big break in between to slowly build his confidence. The little man can certainly track – we just have to take things at his own pace, which I have absolutely no issue with. I’d rather take things slowly and have him enjoy them, rather than rushing him before he is ready. Solider also had his debut in the Rally Master ring, and came away with two beautiful passes and scores of 91 and 95. This not only proves that Solly is certainly capable of earning his Rally Master title (you need seven passes of scores of 85+), but also one day his Rally Obedience Champion title (you need your Rally Master title, and then 10 more scores of 90+). Again, we will not rush this journey, but take things at his own pace.

In the show ring, Fletcher earned a total of 9 x Best Neuter in Groups, 10 x Runner Up Best Neuter in Groups, and was awarded Runner Up Best Neuter in Show in Millicent, SA, under judge Linda Stevens (ACT). He has accumulated a total of 776 points with limited showing and is thus well on the way to earning the 1000 points required for his Neutered Grand Champion title.

In the trial rings, Fletcher earned several new titles. Although we were mainly focused on Tracking and Track and Search in 2018, we still found time to play in some of the other sports, and Fletcher earned three new Agility Games titles: Snooker Dog Excellent, Gamblers Dog, and Strategic Pairs Dog Excellent with our friends Cathy and Heidi.

In my one of my recent articles, I wrote about Fletcher’s Tracking achievements as he wound up his Tracking career with his Tracking Champion title (once you have completed all the Tracking tests, you cannot continue to compete in that particular sport). Track and Search is the next avenue for dogs and their noses. Whereas Tracking in Victoria generally takes place in paddocks or in the bush, Track and Search is considered to be urban tracking – in parks, reserves, and, eventually, in the streets.

Fletcher commenced his Track and Search journey in July down near KCC Park. I was beside myself with nerves before his Test 1 – an 800m track aged for 60 minutes – but did my best to remain calm for Fletcher’s sake. As I harnessed Fletcher up and the judge gave us a brief description of the “missing” person we would be tracking, I breathed slowly and deeply. Fletcher snuffled his start article furiously and then took off at a fast clip – he knew exactly where he was going. He overshot the first corner in order to have a pooh, then zoomed back to the track, took the corner, and found his first article. Over a footbridge, down through a park, and over to his second article (which had been moved from its original location). Across a quiet road and down a street, and then Fletcher shot out to the full length of his 10m lead, pulling me behind him as he homed in on his tracklayer. He had passed his Test 1 under judge Lynn Klecka with a grading of Very Good and our Track and Search journey had begun!

We travelled to Morwell for Fletcher’s Test 2, overnighting in a dog friendly motel. Our Test 2 – an 800m track aged for 2 hours – took place in a thickly wooded bush reserve. Fletcher didn’t hesitate

"YOU SHOULD BE DANCIN', YEAH!"

I hope this article finds everyone and their Cavaliers well. Autumn has settled in here in Victoria, and we've had just about every kind of weather you can think of. Beautiful sunny days, days that are reminiscent of summer, and dreary, overcast, windy days. We've been very happy here on our farm to finally receive a decent dump of rain which replenished our water tanks and topped up the dams.

In my last article, I wrote about Fletcher's successes in the Tracking and Track and Search fields. I will provide a brief update and say that in late April, Fletcher went out to the quiet back streets of Ballarat to attempt his Track and Search Test 6. This is the first Track and Search test to occur at night, so it was a great experience for us both. Fletcher's new LED harness lit him up brilliantly, and I could see exactly where he was going and what he was doing. It was a pleasure to be on the end of the lead for this track, and Fletcher led me through the streets very adeptly – he knew exactly where he was going. He crossed roads and took turns with no hesitation, and found his tracklayer in short order. He passed his Test 6 with a grading of Very Good under judge Dawn Howard, and with that, also earned his Track and Search Dog Excellent title – another feather in his cap!

In early May, we headed back to Bendigo for their Track and Search trial, and in the streets of a new housing estate, I harnessed up Fletcher for his Test 7 – a 1000m track laid in the streets, with a short stop somewhere en route where the judge stops the dog and the handler for two minutes before they are allowed to resume tracking, and aged for 3 hours. Fletcher was an absolute trooper and worked beautifully – even the fact that his Daddy was driving the support vehicle behind us didn't bother him in the slightest. Through the streets we went, occasionally pausing while Fletcher worked out where the track went (to turn, or not to turn? That is the question). However, my little man worked every puzzle out, and found his tracklayer – he well and truly earned his reward tin of My Dog! He passed his Test 7 under judge Necia Lynch with a grading of Very Good. This is the first of two tracks that Fletcher must pass in order to earn his Track and Search Champion title. His Test 8 – which we will attempt in a few weeks – is identical to his Test 7, except that it takes place at night.

Fletcher has also been blitzing the agility ring so far this year, earning three Novice Agility passes (one more needed for his title!), one Master Snooker pass, and two Master Strategic Pairs passes, and was awarded Best 300 Dog in Trial at the State Agility Games trial. He is working beautifully and enthusiastically, and is, in fact, running the best he ever has in the agility ring. It really is a pleasure to work with this dog.

However, as the title of the article alludes, this year we have put on our dancing shoes and ventured into the world of Dances With Dogs. This is an ANKC sanctioned sport that has two streams – Heelwork to Music and Freestyle. Heelwork to Music is, I suppose, a bit like horse dressage set to music, and Freestyle includes all sorts of tricks and cool moves. If you've ever watched Mary Ray performing at Crufts, she is one of the best known names in the sport. And Victoria's very own Sue Smith (Jessicav Cavaliers) has completed in the sport for a number of years, doing beautiful routines with her Cavaliers Nova and Emmey, including a gorgeous brace routine where Sue danced with both dogs at once!

Victoria is lucky to have two Dances With Dogs clubs – the Dances With Dogs Club of Victoria and the Melbourne & District Dances With Dogs Club. These clubs host classes and workshops for their members, and, of course, run trials for Dogs Victoria members to enter.

Because I like to jump in the deep end, once I made the decision to enter a trial, I decided to enter Fletcher in the entry level classes for both Dances With Dogs streams. This meant choosing two pieces of music, choreographing two routines, and organising two costumes. Fortunately, my years of editing music for my local ballet school made cutting my music down to the required length easy, and we were on our way!

In late March, Fletcher and I headed to the Bulla Dog Exhibition Centre for our first dancing trial. I felt incredibly anxious, as I wasn't at all sure what to expect, but the Dances With Dogs world is one of the most welcoming groups of people you will ever meet. Everyone was kind and helpful, and made sure I knew exactly where I needed to be and when.

As it was a double trial, Fletcher and I performed each of our two routines twice. Our Freestyle routine was performed to a piece of music called "Tonari No Totoro", from a lovely Japanese animated children's film "My Neighbour Totoro". The routine carried the theme of the movie, and my main prop was a big toy Totoro on a wicker chair/throne.

Our Heelwork to Music routine was set to a piece of music called "River's Dance" from one of my favourite TV shows, "Firefly" (a sci fi/western). While it has tones of an Irish jig, I chose instead to recreate my own version of River's dance from the show, right down to matching my costume to what River was wearing as much as possible.

We received lovely feedback on our routines from our fellow exhibitors, the spectators, and judges, and I started to feel more at ease knowing that I was on the right track with my choreography. I was blown away when Fletcher and I received some really lovely scores, and ended up earning four passes (two for Freestyle and two for Heelwork), a third place, and three first places!!!

Two weeks later, we drove down to KCC Park to do it all again at another double Dancing trial, and had some similarly lovely results – four more passes, a second place, three first places, and two Highest Scoring in Trial awards! This also meant that Fletcher had enough passes to earn the two entry level titles in the sport – Freestyle Starter and Heelwork to Music Starter.

For those who are interested, I have included a YouTube link where you can view our dancing routines:

<https://youtu.be/Et8YcjxEag>

Our next step will be the Novice classes, so stay tuned for news in this space in a future article.

On earning the three new titles I have written about in this newsletter, Fletcher now has THIRTY ANKC titles (and counting). He is now known as Triple Ch (Neuter) (RO) (T) Daventri Midnight Dash CDX RAE4 TSDX JDX SDX GD SPDY FS.S HTM.S ET, holding titles in conformation, Obedience, Rally Obedience, Tracking, Track and Search, Agility, Agility Games, Dances With Dogs (Freestyle and Heelwork to Music), and Endurance.

This little man truly is a prince among Cavaliers. It doesn't matter what crazy activity I ask him to do, as long as he is with his Mummy, he is happy. I absolutely adore him and am forever grateful to his breeders, Trish and David Fernleigh of Daventri Kennels for trusting me with this beautiful little soul.

Above: Fletcher and his earnings from the Dances With Dogs Club of Victoria's double Dances With Dogs trial.

Above: Fletcher with his earnings from the State Agility Games trial.

In just one week, Fletcher earned three times his body weight in food prizes!!!

for a second and navigated his way along the maze of walking tracks with incredible dexterity – he worked at the full length of his lead, occasionally deviating to check out a corner and coming back as soon as he had established that the track didn't go that way. He found both his articles and was delighted to find his tracklayer loitering on a wooden footbridge, passing his Test 2 with a grading of Very Good under judge Kim Houlden.

Our Track and Search Test 3 took place on an unfortunately hot day in early spring. By the time Fletcher tracked in mid afternoon, it was already in the mid 20s, with a strong wind. However, Fletcher was an absolute trooper, and worked to the absolute best of his abilities. His Test 3 – a 1000m track aged for 2 hours – started in a paddock with big power lines in it. The wind was blowing straight into Fletcher's face, so the first leg of his track left a lot to be desired as he worked furiously to determine where the track actually went. Eventually, the track took us onto a more sheltered walking track, and Fletcher settled down and worked the scent very nicely, finding his first article along the way. Then the track took us back out into the open (and the wind), where Fletcher had to work a lot harder again. He missed his second article (a little baby's shoe), but managed to follow the scent across the paddock, and then back towards the streets where he found his tracklayer sitting in the sun, relaxing. He passed his Test 3 under judge Dawn Howard with a grading of Very Good, and thus earned his Track and Search Dog title – the first of four available titles available under the Track and Search rulebook.

In mid-October, we travelled up to Bendigo for the last Track and Search trial of 2018 (due to the increasingly hot weather and the risk of snakes, Tracking and Track and Search trials generally take place during the cooler months of the year). Once again, it was forecast to be quite a warm day, so poor Aidan was dragged along for the ride so he could stay with whichever dog wasn't working (as I wasn't willing to leave an unattended dog in the car on a hot day). Our group only had three dogs in it, and Fletcher was the last of them to go out for his Track and Search Test 4 – a 1200m track that had been aged for 2 hours. His track took him through a park, along a lengthy stretch of bike tracks, and then into the streets. We had the most wonderful safety steward, who stuck to us like glue to make sure we were protected from oncoming traffic (and there were a lot of walkers and cyclists out, due to the lovely weather). Fletcher cut off part of this track – he overshot a corner, and by the time he realised that something wasn't quite right and started to investigate, he picked up the scent on the next leg and kept working. This meant that he didn't find either of his two articles, but his work ethic and dedication to working the track pleased me immensely. We got some great tips and Fletcher passed his Test 4 under judge Alyson Mills with a grading of Pass.

We were then fortunate enough to be invited to "track on". Track Ons are sometimes available at trials where time and resources allow, enabling the dog to work an additional test within a title. Because Fletcher had successfully completed his Test 4, he was invited to attempt his Test 5 (Track and Search Tests 4-6 make up the Track and Search Dog Excellent title). Because Fletcher had done his Test 4 and appeared to have plenty of oomph left, I accepted the invitation, and not long after, we headed out in a convoy to undertake his Test 5 – the first of the tracks based solely in the streets. A Test 5 is 800m long and is aged for 2 hours.

We were taken to a quiet back street in Bendigo, and the judge gave us our start article. We walked to the location indicated by the judge as where the tracklayer was last seen, where I harnessed up Fletcher and gave him the start article to smell. And off we went!

I hadn't done any training for dedicated street tracks, so I was very much flying blind, and so, to a degree, was Fletcher. However, this little man just blew me away with the way he worked – I didn't have to do very much at all! He very adeptly navigated his way through the back streets, crossing

roads without hesitation, and taking the corners smoothly, occasionally checking out a driveway where the scent had drifted slightly. And before I knew it, there was Fletcher flying along to his tracklayer for pats, praise, and his tin of My Dog as a reward. We received some beautiful compliments from judge Denise Chrystal and tears sprang to my eyes at presentations when it was announced that Fletcher had passed his Test 5 with a grading of EXCELLENT! I spent several days up on Cloud 9, and am already looking forward to this year's Track and Search season commencing.

I have plenty of ideas for what I would like to achieve in 2019, but in these early days while we are still on holiday, I will enjoy relaxing and dabbling in some training.

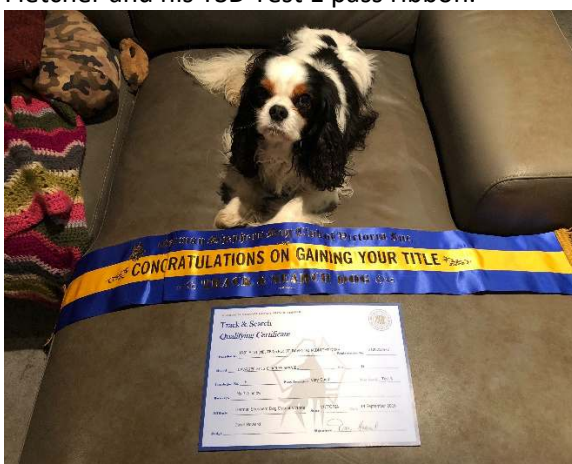

I look forward to seeing some of you around the rings in 2019.
