Presidents Message

Dear Members

Firstly thank you for your support for our 'double header' Championship Shows held on the Queen's Birthday long weekend. Two very busy days, two internationally respected judges, two beautifully furnished trophy tables all because of the vision, commitment and tenacity of one very hard-working and talented committee and a band of non-committee club members who gave up their time to take on fundraising and other duties.

Next year promises to be just as exciting with husband and wife team Sheena MacLaine (Lochbuie) and Andy Vella (Cinderaic) making the trip from the UK to Australia to judge our 50th Anniversary weekend. Without a doubt, we look forward to another bumper entry.

Two shows mean a significant amount of work and in review there are plenty of things this 'newish' committee wants to perfect in future years, however, we are determined to continue to improve and take on board your feedback to make our Championship Shows as wonderful as possible. Many members worked tirelessly for the Club over the weekend with some selling raffle tickets, stewarding, manning auction tables, transporting judges – the list goes on ... but special mention must go to all of you who so generously contributed to the trophies, sashes and prizes.

You are invited to attend the AGM this month and lend your support to the Club. I appreciate that venturing out on a cold winter's night isn't always the most exciting thought but please if you can, make the effort to come along. We welcome your thoughts and discussion.

The Club is much more than the Championship Shows and an AGM. Member's Competitions, agility and obedience trials and health clinics are part of our busy calendar. Check out this and future issues of the Newsletter on the website www.cavalierclubvictoria.com and enjoy the benefits of being a member of the Cavalier King Charles Spaniel Club of Victoria.

Best wishes to you all.

An email received by our Rescue Officer Greg Browne.

Hi Greg, I spoke to you yesterday on the phone in regards to my 17.5 year old Cavalier, Sally. Find attached some pictures of her as well as her registration certificate containing her details.

Her favourite foods to eat are cooked chicken, green beans, and for dessert, vanilla wafers! She is completely deaf but still going strong! As you can see in the pictures, her back is also quite sloped but she still moves very well.

Feel free to use these images or information provided. If any Cavaliers become available, Sally would love to have a playmate!

Kind regards, the Walsh family.

The Bunnings BBQ Fundraiser

A huge thank you to Robyn Carter for organising & manning the club's very successful Taylor's Lake Bunnings BBQ on Sunday 3rd July 2016.

A big thank you also goes to Robyn's band of helpers who drove some distance to help out on the day & manned the BBQ all day....awesome guys..the CKCSC of Victoria is very grateful to you all for donating your day to help the club raise funds to enable it to afford overseas judges for its 2017 Championship Shows.

Thank you.....

TRAINING AND TRIALS AND TITLES, OH MY!

We are already into August, and I'm wondering where the year is disappearing to. It seems that since the dog clubs resumed training, and then since the 2016 trial calendar kick started, that the time has flown. Still, they say that time flies when you're having fun!

Our first trial for the year was our breed club's Restricted to Height Agility, Jumping and Games trial. Sue Smith did her usual sensational job of organising things, and the day was a resounding success with all who participated. Fletcher and Soldier were in fine form, achieving some fantastic results between them, but I was especially pleased to earn a Novice Pairs pass with Fletcher, and our friends from Adelaide, Bron and Harley, who we had a terrific time negotiating the course with.

Easter saw Fletcher and me venture back into the Obedience ring after some time off to regroup and work on a few things. We ended up earning our Open title, which thrilled me no end, but my biggest win was watching my teammate work through an exercise that he finds especially hard, and instead of hesitating, push through his weakness and trust his own judgement. That meant more to me than any pass card or title.

In April, Fletcher and I stepped into the Rally Master ring for the first time. This is a new title that was introduced on 1 January 2016, and the difficulty of the exercises reflects the standard of work that is expected. Fletcher earned a beautiful pass that day on an absolutely stunning course, and he has since gone on to earn several more passes towards his Rally Master title. He has proved that he can definitely hold his own in amongst the working and utility breeds and teams that are performing at an extremely high level.

Soldier ably participated in a weekend of triple Rally trials down in Geelong in mid-April. He is currently working towards his Rally Advanced Excellent (RAE) title, which meant that he had to complete two Rally courses per trial – a total of 12 courses for the weekend. But the little tyke did me proud and worked extremely capably. He earned two pairs of RAE passes, plus assorted other passes that didn't quite make up the required pair, but he did his best over an enormous weekend and that was all I would ever ask of him. He was also awarded some stunning scores, which made me a bit teary – I am so proud of my little pirate! While his missing eye does certainly present some challenges, Soldier elects to live up to his name and soldiers on through it all. He is also proving that he can continue to hold his own in a ring of much bigger (and older) dogs.

However, my main focus with Soldier this year has been preparing him for his Endurance Test. This is no small undertaking, especially for a Toy breed – an Endurance Test is a 20km course (split over three “legs” of 8km, 6km, and 6km) run at a pace of 10kph. I spent 14 weeks training Soldier at least twice a week for this event, gradually increasing distance and duration. This in itself presented challenges with the end of daylight savings and trying to get the required number of kilometres in before it got dark! Saturday 30 April was the big day, and Soldier proved that he was as good as any of the bigger breeds by managing his Test effortlessly. He thus becomes one of a tiny handful of Cavaliers in Australia to have earned this title.

So all in all, I'm not really surprised that it's May already. Time flies when you're having fun!

Below: Judge Gordon Parsons was very happy to award the title of Endurance Test to his “favourite one eyed monster”! by Penny WINDLOW

New By Law....

It is proposed by Jan Kelly and seconded by Andrew Twiddy that a new By-Law 14 be created and all following BY-LAWS have their number increased.

BY-LAW No.14 Breeders Page On the Website

The Club shall offer Breeders a puppy sales outlet via a Breeders Page on the Website.

Cost \$20 per year from 1st July to 30th June.

Rational: Previously it was moved that the method of puppy sales be discontinued and a breeders page be allocated.

This motion places that decision in the By-Laws.

It was moved by Jan Kelly and seconded by Andrew Twiddy that BY-LAW 1 definition (b) and (c) be changed to read - a person not - a person(s)
Thus a complimentary membership would be for one (1) person only.

Rationale: A family/dual membership costs the Club \$15.75 to DogsVic for Insurance. Single membership is \$7.50 to DogsVic. Very few complimentary members go on to become full members so this is financial loss to the Club. With a single membership all persons living at the same address can enjoy the benefits of membership, namely the newsletter by electronic means.

It was moved by Jan Kelly and seconded by Andrew Twiddy that BY-LAW 1 definition of a Junior Member have the words - in accordance with Clause – removed.
Rationale: There is no Clause defining this type of membership. A typo from the original establishment of this BY-LAW.

New BY-LAW 1.

BY-LAW NO. 1 MEMBERSHIP OF THE ASSOCIATION Membership of the Association shall consist of: **Single Membership:** A person over eighteen years. **Dual Membership:** Two people who cohabit.

Family Membership: Up to two adults in a family and children up to the age of eighteen and living at home.

Associate Member:

- (a) a member under fifteen years of age in accordance with Clause 14 (1)(a) of the Rules
- (b) a person who upon purchase of a puppy from a current member is given a complimentary membership for one year in accordance with Clause 14(1)(b) of the Rules
- (c) a person who upon purchase of a rescue dog and/or older dog through the Club is given a complimentary membership for one year in accordance with Clause 14(1)(b)

Junior Member: Any person between the ages of fifteen and eighteen.

Student Member: Any full time student. Student Registration Number must be produced
Pensioner Member: Any person in receipt of a full Government Pension. Pensioner Registration Number must be provided.

Life Member: Any person who has been granted Life Membership as per By-Law 2.

Patron: Any person who has accepted an invitation to act as a Patron of the Association as per By-Law 3.

CKCS Club of Victoria Inc. – 47th Championship Show

12th June 2016

Judge: Michael Levy – Pascavale

I would like to thank the Victoria club for the invitation. It was a privilege to return to Australia and judge the cavaliers again. I had fond memories of quality dogs back in 2005 and today there was still a very high standard and depth of quality. All my top award winners were of the highest standard and had the cavalier attributes I was looking for. However my heart was stolen by the little chap from the UK who really ticked all the boxes. Your sporting appreciation was duly appreciated. It seems the qualities of the cavalier are in safe hands of the Australia breeders.

Thank you.

Class 1 Baby Puppy

1 - Neat shaped body with good angles. Lovely head with plenty of skull. Moved well with plenty of personality. Well-marked blen including even face markings.

2 – Blen well-marked with lozenge. Dark eyes and nose pigment. Lovely expression from large eyes. Animated baby.

3 – Little older at six months. Good type blk & tan with excellent rich tan. Would prefer a little shorter in back for ideal. Outgoing chap stepping out with plenty of drive.

4 – Another blk & tan, neat body, pleasing head with deep stop. Needs richer tan.

5 – Outgoing blen of nice type, well-marked again with good ear placement.

Class 2 Minor Puppy

1 – Elegant moving ruby. Little upright but bound to sink into frame as he matures. Super expression from gentle dark eyes. Has the promise of a glamorous coat.

2 – Neat blk & tan dog with good bone. Lovely bright rich tan so required in this colour. Nice head with plenty of skull and cushioning. Well set ears.

3 – Good type blen, well-marked with lozenge. Moved with ease. Pleasing head with kind expression.

4 – Neat package with good overall balance. A tri with nice rich tan.

5 – Nice headed blk & tan. Good ear placement. Moved with style.

Class 3 Puppy

1 – Shouts quality throughout. Nicely constructed blen. Lovely typical head with an open expression from large kind eyes. Holding good ear placement at all times. Moved effortlessly round the ring holding good topline and tail carriage.

2 – Stood out well with good shape. Well-marked with rich chestnut. Large dark eyes. Moved well

3 – Smaller to first two but neat cobby body. Little over excited which spoilt him on the move. Even face markings.

Class 4 Junior

1 – Exquisite breed type and very glamorous. Long leathers with plenty of feathering. Lovely head with typical expression from large dark eyes. Like the shape with lovely neck. Good bone rib and balanced throughout. This dog is a winner anywhere.

2 – High quality blen. Well broken markings. Balanced correct shape. Moved well both coming and going. Super temperament. Handled superbly.

3 – Blk & tan with excellent coat soft silky texture and flowing. Pleasing head but would prefer slightly softer expression. Moved well round the ring and presented beautifully.

4 – Smaller well boned blen. Good rib and breadth. Lovely eyes giving kind expression. Travelled well keeping a good topline.

5 – Nice well back attitude from this stocky tri-colour. Well off for bone and rib. Pleasing head with ample tan to soften expression.

Class 5 Intermediate

1 – Outstanding ruby, nice shape very elegant on the move, steps out well. Quality coat of good colour. Exquisite head with large dark eyes surrounded by dark pigment adding to soft expression. Very glamorous dog.

2 – Blen lovely type, very soft to touch. Well broken. Classic head with well-set ears, nice muzzle and well-spaced markings to face.

3 – Upright dog, very attractive on the move. Heavier marked blen with promise of good coat. Pleasing head with dark eyes. Outgoing friendly character

Class 11 Open

1 - I judged this boy 6 years ago as a minor in the UK and remarked in my critique how he was my type of cavalier. Then he was quite raw and not fully developed. Now I have had the opportunity to judge him again albeit nearing veteran age and what a treat it has been. This little dog oozes bred type and quality from his adorable well cushioned head with exquisite expression from large round dark eyes to his coby small correctly angled body, all dripping in glamorous silky coat. He moved with style holding his head high carrying a level topline. And to cap it off was his perfect breed temperament, every time I went near him he jumped up to greet me wagging his tail. This most endearing dog was not going to be denied. I am sure I'm only one of many hearts that he has stolen. One of the best I've come across. **CC & BIS**
